

conduct that would serve as a basis for censure, suspension or debarment under §263.94 the Board may, after giving the individual notice and opportunity to respond, institute a formal disciplinary proceeding against such individual. The proceeding shall be conducted pursuant to §263.97 and shall be initiated by a complaint issued by the Board that names the individual as a respondent. Except in cases when time, the nature of the proceeding, or the public interest do not permit, a proceeding under this section shall not be instituted until the respondent has been informed, in writing, of the facts or conduct which warrant institution of a proceeding and the respondent has been accorded the opportunity to comply with all lawful requirements or take whatever action may be necessary to remedy the conduct that is the basis for the initiation of the proceeding.

**§263.96 Conferences.**

(a) *General.* The Board's staff may confer with a proposed respondent concerning allegations of misconduct or other grounds for censure, debarment or suspension, regardless of whether a proceeding for debarment or suspension has been instituted. If a conference results in a stipulation in connection with a proceeding in which the individual is the respondent, the stipulation may be entered in the record at the request of either party to the proceeding.

(b) *Resignation or voluntary suspension.* In order to avoid the institution of, or a decision in, a debarment or suspension proceeding, a person who practices before the Board may consent to suspension from practice. At the discretion of the Board, the individual may be suspended or debarred in accordance with the consent offered.

**§263.97 Proceedings under this subpart.**

Except as otherwise provided in this subpart, any hearing held under this subpart shall be held before an administrative law judge of the OFIA pursuant to procedures set forth in subparts A and B of this part. The Board shall appoint a person to represent the Board in the hearing. Any person having prior involvement in the matter which is the basis for the suspension or

debarment proceeding shall be disqualified from representing the Board in the hearing. The hearing shall be closed to the public unless the Board, sua sponte or on the request of a party, otherwise directs. The administrative law judge shall refer a recommended decision to the Board, which shall issue the final decision and order. In its final decision and order, the Board may censure, debar or suspend an individual, or take such other disciplinary action as the Board deems appropriate.

**§263.98 Effect of suspension, debarment or censure.**

(a) *Debarment.* If the final order against the respondent is for debarment, the individual will not thereafter be permitted to practice before the Board unless otherwise permitted to do so by the Board pursuant to §263.99 of this subpart.

(b) *Suspension.* If the final order against the respondent is for suspension, the individual will not thereafter be permitted to practice before the Board during the period of suspension.

(c) *Censure.* If the final order against the respondent is for censure, the individual may be permitted to practice before the Board, but such individual's future representations may be subject to conditions designed to promote high standards of conduct. If a written letter of censure is issued, a copy will be maintained in the Board's files.

(d) *Notice of debarment or suspension.* Upon the issuance of a final order for suspension or debarment, the Board shall give notice of the order to appropriate officers and employees of the Board, to interested departments and agencies of the Federal Government, and to the appropriate authorities of the State in which any debarred or suspended individual is or was licensed to practice.

**§263.99 Petition for reinstatement.**

The Board may entertain a petition for reinstatement from any person debarred from practice before the Board. The Board shall grant reinstatement only if the Board finds that the petitioner is likely to act in accordance with the regulations in this part, and that granting reinstatement would not be contrary to the public interest.
